energy smart

HOMES TRAIL

Visit open homes fit for the future in **Thornbury and Alveston**

organised by

www.sustainablethornbury.org

South Gloucestershire

OPEN DOORS

in partnership with

Be inspired to make your home more comfortable, cheaper to heat and kinder to the environment.

About 13 homes will be open over the weekend.

There will be information about the trail and energy advice at The Swan on Thornbury High Street.

A map and further details will be available from Thornbury library and Town Hall from 1 October or visit www.energysmarthomestrail.org.uk
